CLAS President has attended scheduled meetings.

General Business.

West Wyalong Nationals.

- Michael Comiskey travelled to West Wyalong to inspect the Combat circle at the Adrian Bryant Free Flight Field.
The circle there in his opinion is unsuitable (no grass growth, holes and dirt surface). Models and engines could be damaged.
Michael inspected all the town fields and came to the decision that the F2B field (McAlister Oval) would be the most suitable for Combat.

- The Committee made the decision that all Combat and grass racing events would be run on this field. A curfew would be put in place for Combat and racing outside of 9am to 5pm.
- Paul Turner advised the Committee that CLAS is running low on carbon copy F2B score sheets. Not sufficient to run Nationals 2023. It was decided, because of such late notice, that CLAS would use A4 printed sheets where necessary for these Nationals.
- Paul Turner advised that to date there had been only 15 entries for Control Line events.
- Supply of food was discussed at the meeting, and it was decided that there would be NO food supplied at any Control Line fields and a notice would be sent out accordingly to notify participants of this and that they will need to bring their own refreshments and food to these venues.
- Andrew Heath will mix ALL fuels for Combat and Speed events for 2023 Nationals and will be reimbursed for this at a later date.
- Michael Comiskey to supply all Combat event streamers for 2023 Nationals and will be reimbursed for this at a later date.
- **Other Matters.**
- Michael Towell contacted President Gary Tansley to ask for CLAS financial assistance to the value of \$200 towards the cost of medals (for F4B and CL Stand-Off Scale) for the upcoming CL State Champs, to be run in conjunction with the Free Flight Trans-Tasman. It was moved P.Turner and seconded D.Keyssecker that the request be approved. Carried.
- Andrew Heath passed over the entry fees from the Albury Speed and racing events, which were part of the NSW State Championships. (\$300). Andrew submitted an account for expenses incurred (\$150) and this amount was reimbursed.
- As mentioned previously, the Treasurer's Report and Correspondence will be carried over to the next meeting in December.

Next Meeting. The next meeting is set for Monday, 4th December, 2023. Please note that this is the FIRST Monday in December. Notice of Meeting will be emailed to membership the week prior to the next meeting.

There being no further business, the meeting was closed.
